

NestIn Evaluation Task

- 1) Top Section: Consists of a Navbar and a Jumbotron. Enabled smooth scrolling. Both are fully responsive and shrink down to proportion on smaller screen sizes

- 2) Workspaces Section: Displays all the workspaces in a well structured and responsive grid. Lightbox library has been used on the images, so that, when clicked, they are displayed in full screen

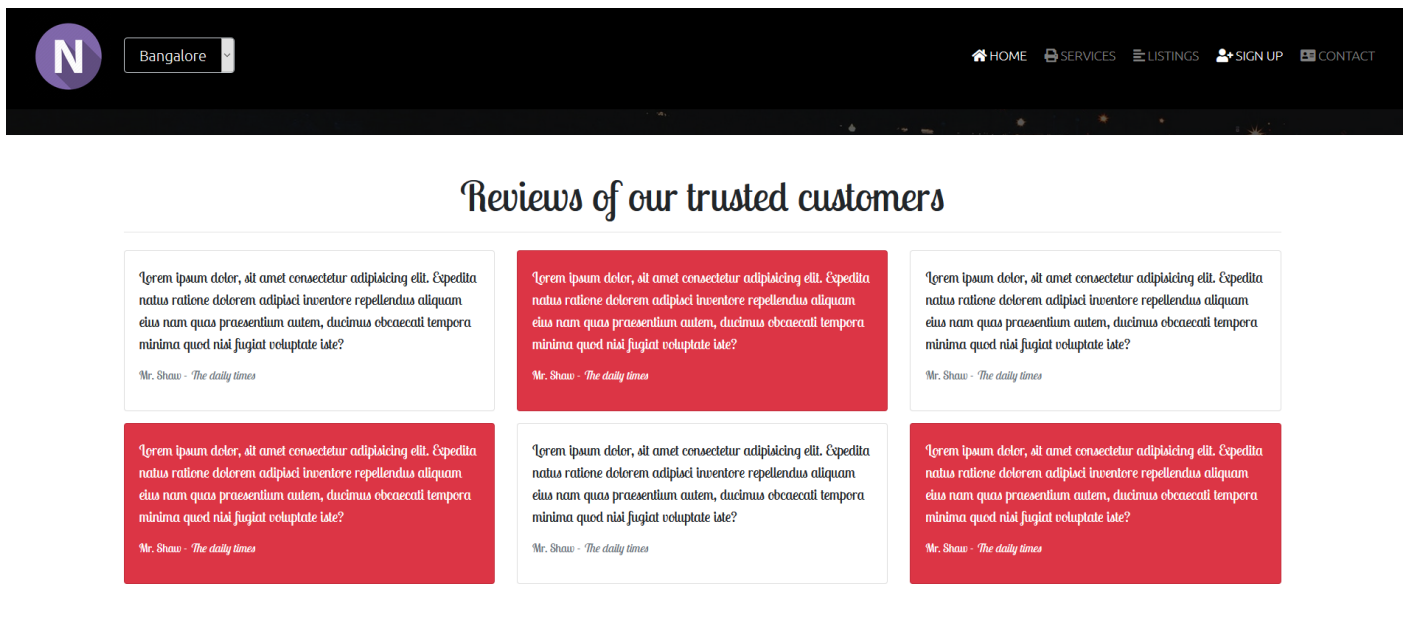

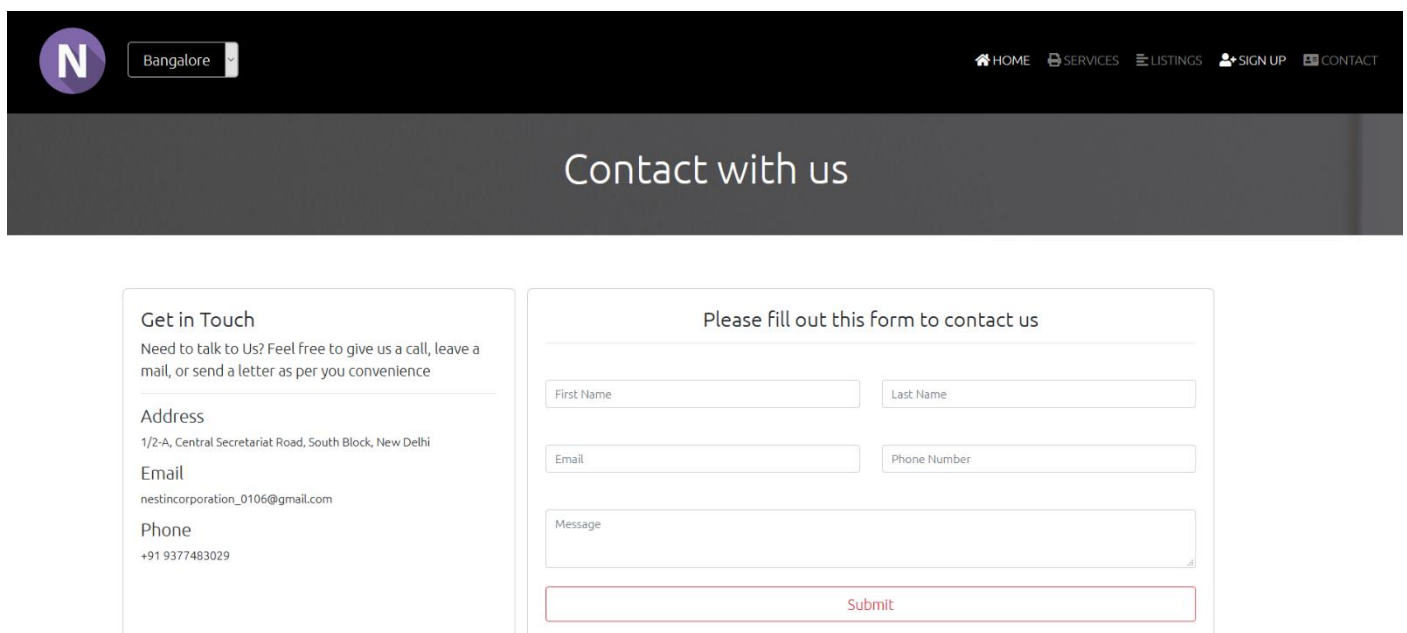

3) Call to Action Section: Displays the special features of the organisation, and includes a sign-up form with basic form Validation applied using Vanilla JavaScript

A screenshot of a website's 'Why choose Us' section. The background is a dark, abstract image. The section title 'Why choose Us' is prominently displayed. Below the title, there are three bullet points, each with a checkmark icon and a line of placeholder text: 'Lorem ipsum dolor sit, amet consectetur adipisicing elit. Sed, tempore iusto in minima facere dolore!', 'Lorem ipsum dolor sit, amet consectetur adipisicing elit. Sed, tempore iusto in minima facere dolore!', and 'Lorem ipsum dolor sit, amet consectetur adipisicing elit. Sed, tempore iusto in minima facere dolore!'. A red 'New' tag is visible next to the third bullet point. On the right side, there is a 'Sign Up Today' form. The form has a title 'Sign Up Today' and a subtitle 'Fill up this form to register'. It contains four input fields: 'Username' (with a green border and the value 'sks_0101'), 'Email' (with a blue border and the value 'asasdaaww@'), 'Password' (with a red border and masked characters), and 'Confirm Password' (with a red border and masked characters). A red error message 'Passwords do not match' is displayed below the password fields. A blue 'Submit' button is at the bottom of the form.

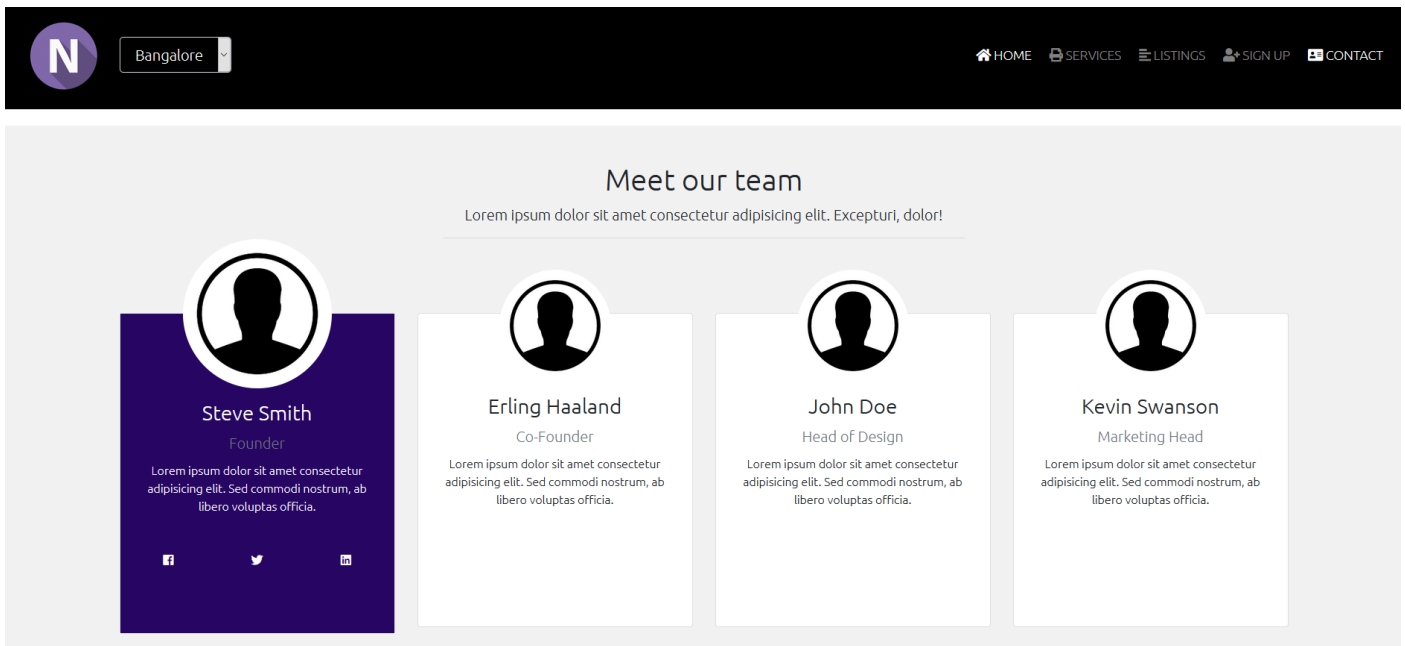

4) A customer review section, displaying the reviews in the form of cards

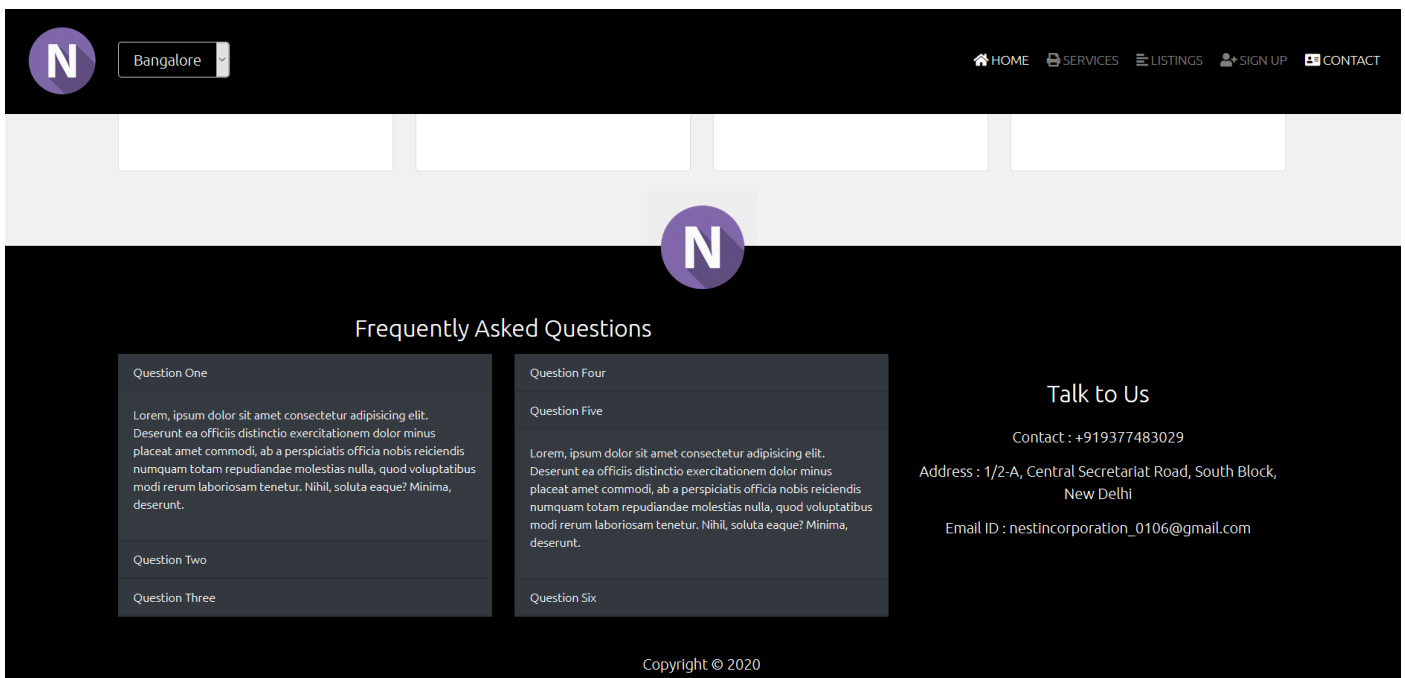

5) Contact Section: Consists of 2 sections, one for giving out contact details, and the other consisting of a form for users to interact with the team

6) Meet the team section: Introduces the team members. Has formatting on hovering, and links to the Facebook, Twitter, and LinkedIn accounts of the members

7) Footer Section: Consists of the logo, FAQs in the form of an collapsible accordion, and contact details

Other Features: Smooth Scrolling Enabled, all elements fully responsive, compatible with all screen types, use of Media Queries to style certain elements specifically for small screen sizes
